NEWSLETTER OF THE OZAUKEE COUNTY HISTORICAL SOCIETY

Pioneer Village REVIEW

SEPT., 1977 PUBLISHED QUARTERLY by the Ozaukee County Historical Society VOL. 6 NO. 3

Our Society Inherits A National Shrine

Looking at the picture of a handsome one room school building on the front page of the Pioneer Review, you would not believe that only thirty short years ago it stood in ruins, dilapidated, with part of the front wall down.

The description of the ruins is contained in a news story of the first official dedication held on June 14, 1947, as the site of the first Flag Day observance.

The building only a short time prior to the dedication had been deeded by the Town of Fredonia to the Wisconsin Fraternal Congress.

It had been closed for twenty years and then converted into a garage for the town truck and later left abandoned.

But it rose from adversity and ruin to become a national shrine because of a young school teacher, a president of the United States and a fraternal organization.

On June 14, 1885, Bernard J. Cigrand, 19, and the teacher of the school, stirred by a deep sense of patriotism and love for the American Flag, held the first Flag Day exercises in the little country schoolhouse on top of Schumacher Hill in the Town of Fredonia. Later he was to become professor of Dentistry at Northwestern University, and he was one of many influential people who prevailed upon President Woodrow Wilson to declare June 14 National Day.

The Wisconsin Fraternal Congress arranged the first dedication program in 1947, and raised a flag that had flown over the nation's capitol. The chairman was Leroy Stohlman, supreme treasurer of the Aid Association for Lutherans, and president of the Wisconsin Fraternal Congress; Toastmaster was John F. Walsh, president of the Catholic Knights of Wisconsin, and secretary - treasurer of the Wisconsin Congress, and the speaker was Rev. William Danian, arch deacon of the Episcopal Diocese of Milwaukee.

The speakers said they expect the National Fraternal Congress to restore the school house to its original appearance and condition so that the birthplace of Flag Day can be fittingly honored each year.

Last June, after the Flag Day celebration, the National Fraternal Congress announced that they would deed the school house over to the Ozaukee County Historical Society with the provision that the Congress can use it one day a year on June 14th for Flag Day observance.

The National Congress have restored and kept the building in beautiful shape. They have improved the grounds, provided a small grand-stand for the audiences, and a few years ago, added additional acreage, and have built an interesting garden plot with plants and bushes, and a winding path with sunken holes, in which

For those who don't know the story of Stony Hill School & the OCHS!

Stepping back in time to the OCHS September 1977 Quarterly Newsletter... This issue of the Pioneer Village Review shares the story of how the Ozaukee County Historical Society came to own Stony Hill School. The school located in the Town of Fredonia is listed on the National Register of Historic Places which is the official list of the Nation's historic place worthy of preservation. Thousands of schoolchildren have spent time at Stony Hill School since it was acquired by the OCHS experiencing life in a one room schoolhouse by participating in the OCHS school tour program.

the flags of every state are anchored and flown on Flag Day.

Edward Rappold, president of the Ozaukee County Historical Society, said the society is highly honored to receive this property because it is a national shrine, and a great asset to the county.

MESSAGE ... FROM THE PRESIDENT

Dear friends,

It feels good to be back and planning for events. As you will see we have a full schedule planned for the 2021 season and are forging ahead carefully. Please be assured that whatever your stance is on wearing/not wearing masks etc., we will work to respect your choice and as a society are doing everything possible to keep our events safe.

Since the last newsletter, we have news of two retirement announcements... Nina Look, OCHS Archivist and Don Engelbert, "The Membership Guy". These wonderful volunteers have been with the OCHS for many years and the contributions they have made are immeasurable. They will truly be missed. At the Archives, Jane Butz and Chris Fricke are holding down the fort and we are hoping to fill the Membership portion of Don's volunteer work soon. We thank them for their many years of service.

You will see some new and exciting events in this newsletter. Flag Day is expanding and we are excited to be working more with the folks from Waubesa... thanks to Keri Eichner for taking over as the Flag Day chairperson for OCHS. The Miller's are spearheading our first ever car, truck and motorcycle show at the Village on the same day. Mary Ann invited her Bluegrass Bands to entertain us also on that same day. Shuttle buses will run continually from Pioneer Village to the Americanism Center to Stony Hill School. Weather cooperating it should be a fun day.

Really rewarding over the last quarter has been a collaboration with the Grafton Historical Society in doing Oral Histories. Nick Schanen who is a member of both societies has been lining up long-time residents to interview. Board Member Dick Liersch (My Living Legacy) sits behind the video camera and we all have a conversation about life in the early days in Grafton and Ozaukee County. Amazing stories... Mr./Mrs. Ted Grob, Mr. Norb Studelska, Mrs. Joyce Mintzlaff to name a few. If Nick calls and asks you to participate, say "yes". It is a wonderful way to share and document our history.

It is worth your time to stop out at the Village and check out the finished product... Village Hall! We, of course, thank all the people who put in countless hours (and donations) to make this hall happen. Allen Buchholz has been putting the final touches on the decorating of the hall. It's amazing. Did I mention that the hall can be rented for your family party, wedding, etc?

Also, when you are at the Village you will notice the train station is in the midst of a major restoration. Mary Ann Velnetske is heading up this project and we will bring photos and information as to the progress in the next issue of Timelines.

You will also notice caretakers Jim and Sally Punzel on a new zero-turn lawnmower. The old mower did not "cut" it!

Hope to see you all at the Village—Archives-Stony Hill School during this event season!

OCHS RETIREMENTS ANNOUNCED

Nina Look, Archivist...

Nina Look, Ozaukee County Archivist since 2007 announced her retirement from this long held position in March 2021. Nina also served on the OCHS Board of Directors for many of those years. The Hazel Wirth Archives Research Center has benefited greatly from Nina's fifteen years of devotion to the preservation and sharing of Ozaukee County history.

Nina's strong skills in writing policy, organization, planning, research and working with OCHS archives volunteers leaves the society in a strong position for many years to come. We thank Nina for her countless hours of volunteer work and appreciation for our Ozaukee people and their history.

Don Engelbert, Membership Chairman...

Don Engelbert, aka "The Membership" Guy, since 2007 submitted his intent to resign in May. After a long tenure of helping out in many areas of the OCHS as well as taking care of our annual memberships. He picked up our weekly mail, made handyman improvements around the Archives, provided parking assistance at Pioneer Village, rummage sale assistance, quarterly meeting assistance, Flag Day assistance and served on the OCHS Board as a Director for many, many years.

Don left us in a strong position having organized and writing organizational procedures to handle our memberships. We thank Don for his devotion and friendship to the Ozaukee County Historical Society.

"Harry Potter Style at the Village"

Saturday, July 31, 2021

Join us at Oz Cty Pioneer Village for some Harry Potter Style Family Fun.

The Harry Potter Event Committee is working hard to make this a fun-filled family day with all things Harry Potter Style—wizardry, wands, sorting hats, butterbeer, costumes...

Ticket prices and more information available on our website...

www.ochs.co.ozaukee.wi.us

We are one of the largest bluegrass festivals in this area! "Bluegrass at the Village" will host four bluegrass bands that will take the stage on the newly restored Cedarburg Train Station platform. This year's lineup includes: Pickin' Up Speed, Special Consensus, the Millbillies, and Chickenwire Empire.

This year's featured band Special Consensus, from Chicago, IL has received five awards from the IBMA, two Grammy nominations and 2018 Album of the Year. They are four talented vocalists and instrumentalists who try not to stray too far from their bluegrass roots. In 2020, Greg Cahill, banjo player, was inducted into the Society for the Preservation of Bluegrass Music in America (SPBGMA) Hall of Greats in Nashville! This should be a wonderful performance!

Stroll through the outdoor living history museum to experience life in rural Ozaukee County between the years of 1840-1920. Participate in the live auction during intermission with items donated from local area businesses. A 4-H member will be testing their auctioneering skills and it should be lots of fun.

Over 500 seats available under the tent. You are encouraged to bring lawn chairs or blankets. Several shady areas and shade tents are available. (No pets, coolers, carry-in foods or beverages are permitted). Tickets will be sold on-line at <http://www.ochs.co.ozaukee.wi.us/> Admission is \$12 Adults, \$10 Seniors & Students. Tickets at the gate will be by credit card only and will be \$15.00.

Grand Sponsor: Port Washington State Bank,
Other sponsors include: Answerport, Midstate Insurance, Kolb and Associates, Mike and Lucy Kolb, Jon and Sandy Dehlinger and Denise Boerner and the Lily Pad Guest House. We are looking for additional sponsors for this event.

TRAIN STATION PROJECT PROGRESSES

PARDON OUR DUST... Next time you are at the Village, you will notice that the Cedarburg Train Station building is being completely restored and repainted. A whole new look and historically correct color scheme along with a new wheelchair access ramp has been added.. Improvements are being made on the inside and out. Painters and contractors are working hard to get this project completed. Any questions, contact Board Member—Mary Ann Velnetske.

VILLAGE HALL COMPLETE!

Take a ride out to Oz Cty Pioneer Village to see the newly completed Village Hall. It took many volunteers and manhours to complete this project and we are grateful to each and every volunteer. Village Manager, Allen Buchholz took the opportunity of our recent Covid hiatus to spend some time putting his finishing touches on the Village Hall. Through generous donor sponsorships, Allen found old photographs representing all areas of Ozaukee County and had them enlarged to be displayed in the hall. The photos are accompanied by matching historic pieces from these communities. Thank you Allen for the many hours of planning, coordinating, creativity and seeing this project thru to completion. Your hard work and talent is truly appreciated.

REDEDICATION CEREMONY - OZAUKEE COUNTY WAR MEMORIAL - FRIDAY, MAY 28, 2021

A rededication of the Ozaukee County War Memorial was held on Friday, May 28. The memorial wall which is located outside the Ozaukee Justice Center was renovated to include three military members who had been omitted. Two of the men were from World War I and one from World War II. A variety of speakers spoke during the patriotic ceremony including Sheriff Jim Johnson and Lee Schlenvogt, County Board Chairman. Ozaukee Cty Historical Society 1st Vice President, Allen Buchholz was a member of the committee who helped with the renovation. Following are photos from the ceremony...

EDUCATIONAL FIELD TRIP OPPORTUNITIES

"This program is dedicated to furthering patriotism by honoring our flag and instilling Americanism in our youth while providing a unique one-room school house experience for elementary school students. "

--The Ozaukee County Historical Society

The Stony Hill School Program

The Stony Hill School program is a historical two-hour program with a simulated experience in a one-room school. The school teacher, dressed in authentic 1880 period costume, and using books and materials of that day, teaches the children what it was like to attend school in Ozaukee County 100 years ago, and encourages an appreciation for the education system of today.

Our goal is to give 4th grade students an opportunity to understand and appreciate "old-fashioned" values, the educational system of the past, and the work ethic. Children will learn to recognize the differences and similarities in procedure between the school of the 1880's and that of today. We hope to instill in the children a sense of patriotism and pride for the U.S. flag, and for the educational system our ancestors developed 100 years ago. While the programming is geared toward 4th grade, we are able to accommodate most age groups and tailor the program to your grade level and curriculum needs. Please call for more information.

Additional Option: Visit to Ozaukee County Pioneer Village

A. Spend from 9:30 to 11:30 a.m. at Stony Hill School. Curriculum includes: raising the flag, reading from 1880 readers, writing using quill pens, arithmetic, using a slate, ringing the school bell, and sitting in desks connected to each other.

B. Spend from 9:30 to 11:30 a.m. at Stony Hill School. Lunch and free time from 11:30 to 12:00 noon.

1. 12:00 noon—Go to Pioneer Village*
2. 12:15-2:15 p.m.—Tour Pioneer Village, an 1840-1900's Living Museum...Twenty furnished buildings present life as it was 100-150 years ago in this county. Visit the Indian Trading Post, the German designed homes, the Blacksmith Shop and the Railroad Depot to name just a few. All experiences are intended to demonstrate life in rural communities of long ago.

Times are suggested and may be adjusted to meet your specific needs.

To accommodate two classes at one time; one class may tour Pioneer Village in the morning and attend Stony Hill School in the afternoon. This allows for a more unique and meaningful tour for the students.

Dates are available from May until Mid-June, and from Labor Day to Mid-October.

This is a rare opportunity for your students to experience a typical classroom situation as it pertains to the 1880's, as well as to see and experience the settings where people of that time lived and worked.
